**DESCRIPTION** Proceed 12.0 km (7.45 mi) east along the Mammoth-Tower highway from the park headquarters in Mammoth Hot Springs. Bench mark is 1.3 km (0.80 mi) west of the intersection of a service road, 1.0 km (0.60 mi) east of the intersection with Blacktail Deer Creek, 33.7 m (110.6 ft) west of the west end of a highway fill, 11.8 m (38.7 ft) north of the centerline of the highway, and about level with the highway. Access to datum point is had through a 5-inch logo cap. Because the station is otherwise nondescript, it is helpful to measure distances both from Blacktail Deer Creek and the service road.
